All uses must be approved in writing by the Institute.

CIAT Chartered Practice logo

This logo serves as the primary identifying device for a CIAT Chartered Practice.

All previous versions of the logo are withdrawn.

Terms and conditions

In these conditions the words standing in the first column of the following table shall bear the meanings set opposite to them respectively in the second column if not inconsistent with the subject or context:

Terms	Meaning
'Chartered Member'	Members awarded the post-nominal letters MCIAT (Member) or FCIAT (Fellow) and use of the title "Chartered Architectural Technologist" by the Institute.
'Institute'	The Chartered Institute of Architectural Technologists.
'Logo'	The symbol by which the Institute is represented.
'CIAT Chartered Practice'	Chartered Member offering and/or providing services directly to clients and on the Register of CIAT Chartered Practices.

1. These conditions shall apply to each and every use of the CIAT Chartered Practice logo by Chartered Members on the Register of CIAT Chartered Practices.
2. If a Chartered Member has more than one practice (or subsidiary), they must Register each separately and follow the conditions for use of the logo for each practice.
3. The CIAT Chartered Practice logo remains the copyright of CIAT at all times and its use — in whatever format — must be approved in writing by the Institute. This is administered on its behalf by the Communications Department and the logo may not be used without written permission by CIAT.
4. The electronic file provided by the Institute is the only version that may be used. The CIAT Chartered Practice logo and colour must be used as presented by CIAT and may not be downloaded, copied, amended or altered in any way.
5. The CIAT Chartered Practice logo may only be issued to a Chartered Member for the practice which is on the Register of CIAT Chartered Practices. Permission is granted with a licence issued by the Practice Department. Any changes to that practice must be advised to the Institute and any change of use of the logo must also be approved in writing. This is non-transferable.

6. All use of the CIAT Chartered Practice logo is subject to the Institute's approval in any format, in any medium prior to print or publication. The medium bearing the logo may not be issued, used or printed until approval has been given by the Institute in writing. If the medium bearing the logo has been produced before its approval and a correction is needed, it is the Chartered Member's responsibility to destroy all copies at their cost.

7. The Institute reserves the right to refuse, withdraw or cancel permission or use of the logo at any time. A log of every CIAT Chartered Practice logo use is maintained by the Practice Department. If use of the CIAT Chartered Practice logo is discovered and not approved, an investigation will be instigated which could include a referral to the Conduct Committee.

8. Any stationery bearing the CIAT Chartered Practice logo should appear distinct from the Institute's own stationery.

9. The logo should never appear distorted. The recommended minimum size for the logo is 15mm high and should not be used at all below this size. There is no maximum recommended size for the logo.

10. These terms and conditions shall be governed and construed in accordance with the laws of England and Wales.

These terms and conditions of business are supplied in the interest of fair-trading and should be kept for reference.
