

Newsletter from the Chair

18 October 2019

Dear members

I am writing this letter to introduce myself as the Western Regional Committee Chair. I took this position towards the end of 2018 with the sole intention of establishing a strong committee group and developing a better relationship with our members.

I feel like we're heading in a good direction with some exciting things on the horizon.

We as a Committee have been working hard this year, planning events, speaking with local educational figures and creating specific Western Region social media platforms which will enable all of us, as members, to communicate effectively.

These accounts will be used to promote all events going forward so please make sure you download the app(s) and follow us. We will be doing this via....

- **Facebook** www.facebook.com/CIATWestern/
- **Twitter** <https://twitter.com/CIATWestern>
- **Linkedin** www.linkedin.com/company/ciat-western/
- **Instagram** www.instagram.com/ciat.western/

We are aiming to hold our first event in November which will include visiting a Passivhaus refurb scheme – ensure you follow the social media accounts for how to reserve your space. This should be a really exciting visit.

Following this we are hoping to provide a number of CPD and site visits through-out the year for all members within the region. This will include a range of topics to help keep members up to date with new legislation.

Today is really a plea for all members to get involved with the Region and with a simple message; we look forward to being able to bring some exciting events and hopefully creating a good strong link amongst us all.

Kind regards

Ben Honey MCIAT

Chair, Western Region
