Building an inclusive construction industry

## **Building Equality South Wales and South West**

# **Call for Reps and Members!**

Are you passionate about working together and harnessing our collective power to drive LGBT+ inclusion in the construction industry?

Building Equality is starting a local South Wales and South West network!

We are looking for representatives from companies and organisations to help drive Building Equality across South Wales and the South West.

If you're interested, please contact **adam@ciat.org.uk**
