<b>Programme title</b>	BSc (Hons) Architectural Technology (F/T)
<b>Programme leader</b>	

		Trimester 1			Trimester 2		
Stage 1	<b>Module number</b>	BSV07100	BSV07105	BSV07103		BSV07104	BSV07101
	<b>Module title</b>	Building Design and Technology 1	Design Information Technology 1 (CAAD 1)	Building Engineering & Construction Mathematics	Option 1	Property and Const Business Law	Architectural Technology 1
Stage 2	<b>Module number</b>	BSV08114	BSV08112	BSV08108	BSV08100	BSV08106	BSV08103
	<b>Module title</b>	Research and Innovation	Building Design and Technology 2 (AT)	Design Information Technology 2 (CAAD 2)	Building Engineering 2	Construction Management 1	Architectural Technology 2
Stage 3	<b>Module number</b>	BSV09100	BSV09102	BSV09105	BSV09114	BSV09111	BSV09113
	<b>Module title</b>	Construction Management 2	Building Design and Technology 3	Architectural Technology 3	Building Services Engineering	Contract Admin and Practice	Building Control & Fire Engineering
Stage 4	<b>Module number</b>	BSV10100 Project Evaluation		BSV10104	BSV10110		BSV10112
	<b>Module title</b>			Sustainable Development	Architectural Technology 4		Architectural Practice and Management

Options were as follows:

Option 1: Any level 7 module offered by the School of Engineering and the Built Environment that is not part of the programme.
